

The months of November and December went by quickly! The students have been continuing to demonstrate **PRIDE** behaviors. Some Fun Friday activities these two months included making turkey cookies, wearing pajamas and reading the Polar Express story, playing Wii, cup-stacking, and several other activities. One big event that occurred was the students reached their PAWS goal! The students went above and beyond helping others in need. They earned enough paws to fill the hallway, so they waited to see what surprise they would receive. Students from the Jacksonville High School Drum Line came to give a performance to the elementary and junior high students. Our students even had an opportunity to try on the drums and feel the vibrations. Everybody had a blast!

P-Positive

R- Respectful

I- Individuality

**D- Demonstrate
Responsibility**

E- Effort

Tiger Paw Winners:
Estrella, Madi, Gisselle, Ian,
& Essy
