

Registry of Educational Interpreters

Illinois Administrative Code 23, Subtitle A, Section 25.550 states "... (an) educational interpreter in the public schools shall require a statement of approval from the State Superintendent of education..." Currently, there is no state wide registry of educational interpreters who hold this statement, and schools who need an educational interpreter do not know how to contact potential candidates. Therefore, ISD Outreach is attempting to develop a registry of educational interpreters which will be posted on our website (http://morgan.k12.il.us/isd/outreach_registryInterpreters.html), and the ISHI website (http://www.ishi-il.org/index.php?option=com_content&view=category&id=44&Itemid=61). If you hold this statement of approval from the State Superintendent of Education, and would like to be included in the registry, please complete this form and send it, along with a copy of the statement of approval, to Marcia Breese, ISD Outreach, 125 Webster, Jacksonville, IL 62650.
